

**OPEN CALL FOR RESEARCH ASSISTANTS IN BIostatISTICS AND
EPIDEMIOLOGY AT CINBIO, UNIVERSIDADE DE VIGO**
(Centro Singular De Investigación De Galicia 2016-2019)

The **Biomedical Research Center** (*Centro de Investigaciones Biomédicas, CINBIO, Centro Singular de Investigación de Galicia 2016-2019*, www.cinbio.es) is a multidisciplinary center that covers some of the main research areas in **Biomedicine**. It is meant to create a common infrastructure for biomedical experts from the University of Vigo (Spain), working on basic, applied and clinical research. Among the professionals involved, there are medical doctors, chemists, biologists, biostatisticians and engineers. The Center facilitates the exchange of knowledge, resources and technology among the different groups but also with other health centers, universities, regional and local governments and the related industry.

CINBIO is organized in several lines of research pursued by different groups from both the University of Vigo and partner Hospitals, with a coordinator that takes care of scientific and technical planning within five strategic research areas, and three transversal areas:

- strategic areas: **CANCER; IMMUNITY AND INFLAMMATION; NEUROSCIENCES; BIOHEALTH AND ACTIVE AGEING; OBESITY AND METABOLIC DISEASES.**
- Transversal areas: **BIostatISTICS / BIOINFORMATICS / INNOVATION: NEW METHODS IN PREVENTION, DIAGNOSTICS AND THERAPY.**

The Center implements the General Principles and Requirements of the European *Charter for Researchers* and the *Code of Conduct for the Recruitment of Researchers*, to guarantee the transparency, ensuring the equal treatment of all applicants.

CINBIO aims at becoming a key player to biomedical research, and now offers **positions of Research Assistant in Biostatistics and Epidemiology**, to work in the [group of Biostatistics and Epidemiology](#), based in Vigo.

The required documents (described in Annex I and Annex II) will be sent to cinbio@uvigo.es.

Application deadline: 6 May 2019 (18:00 hours, local time).

All participants will have an adequate feedback with a message as **proof of delivery**. They will receive consideration for employment and will not be discriminated against based on race, color, religion, sex, sexual orientation, gender identity, national origin, age or disability.

All research job offers are advertised. The Human Resources Board will select **candidates, and other qualified ones** will end up in a **waiting list** for future consideration.

Please, find more information about CINBIO, in our website: www.cinbio.es; and follow the recruitment process here: <http://cinbio.es/en/category/job-opportunities/>

ANNEX I. POSITION OFFERED.

REFERENCE CINBIO 34. Research Assistants in Biostatistics and Epidemiology

Profile: The Biomedical Research Center (CINBIO) offers **full-time interim positions of Research Assistant in Biostatistics and Epidemiology**, to work in the [group of Biostatistics and Epidemiology](#), based in Vigo.

Time frame: from three to five months, to be held between June 1 and October 30, 2019.

Mandatory Degrees:

- Degree in Mathematics, Statistics, or closely related to the post.

Expected skills:

- Experience in the application and/or the development of biostatistical methods, statistical techniques and statistical programming.
- Excellent communication skills; autonomous gear in a research environment; highly motivated; driven to perform.
- Good level of English.

Salary: **1250 €/month, before taxes** (gross salary + employee social costs). End of contract compensation and social security costs from employer side are covered.

Evaluation Criteria:

- Suitability to the position, academic record: 60 points.
- CV, knowledge of biostatistical techniques, including free and commercial software: 40 points.
- A personal interview may be requested, to be valued up to 25 extra points.

Candidates have to send:

1. **APPLICATION FORM**, ANNEX II (name the pdf file: cinbio34_YourName_Form.pdf).
2. **Official Degrees**. (name the pdf file: cinbio34_YourName_Degrees.pdf).
3. **Curriculum vitae** (name the pdf file: cinbio34_YourName_CV.pdf). Euro pass CV format is preferred.
4. **Cover letter**, summarizing the applicant's career and experience, and interest (one A4 page in pdf format, please name the file cinbio34_YourName_Letter.pdf).

Please send the required documents (described in Annex I and Annex II) to cinbio@uvigo.es, indicating the email subject: **CINBIO 34. Research Assistants in Biostatistics and Epidemiology**.

Application deadline: 6 May 2019 (18:00 hours, local time).

Evaluation process:

The Human Resources Board will decide on selection and hiring.

Please, find more information about CINBIO, in our website: www.cinbio.es; and follow the recruitment process here: <http://cinbio.es/en/category/job-opportunities/>

ANNEX II. APPLICATION FORM.

**OPEN CALL FOR RESEARCH ASSISTANTS IN BIOSTATISTICS AND
EPIDEMIOLOGY AT CINBIO, UNIVERSIDADE DE VIGO**
(Centro Singular De Investigación De Galicia 2016-2019)

APPLICANT'S PERSONAL DATA:	
Name and Surname :	NIF, ID Card, Passport:
Address:	City:
Phone 1:	Phone 2:
email:	

Applied positions:

- CINBIO 34. Research Assistants in Biostatistics and Epidemiology.**

Files uploaded:

- This application form (annex II). (file cinbio34_YourName_Form.pdf)
 Official Degrees, Academic records. (file cinbio34_YourName_Degrees.pdf)
 Curriculum vitae. (file cinbio34_YourName_CV.pdf)
 Cover letter. (file cinbio34_YourName_Letter.pdf)
 Other (explain):

The applicant declares the certainty of the information contained in this application and states that he/she knows and accepts the bases of this call.

Place: _____, date: _____
