

**OPEN CALL FOR AN INTERIM POSTDOCTORAL RESEARCH POSITON,  
AT CINBIO, UNIVERSIDADE DE VIGO**  
*(Centro Singular De Investigación De Galicia 2016-2019)*

The **Biomedical Research Center** (*Centro de Investigacións Biomédicas, CINBIO, Centro Singular de Investigación de Galicia 2016-2019*, [www.cinbio.es](http://www.cinbio.es)) is a multidisciplinary center that covers some of the main research areas in **Biomedicine**. It is meant to create a common infrastructure for biomedical experts from the University of Vigo (Spain), working on basic, applied and clinical research. Among the professionals involved, there are medical doctors, chemists, biologists, biostatistics and engineers. The Center facilitates the exchange of knowledge, resources and technology among the different groups but also with other health centers, universities, regional and local governments and the related industry.

It is organized in several lines of research pursued by different groups from both the University of Vigo and partner Hospitals, with a coordinator that takes care of scientific and technical planning within the five strategic research areas three transversal support areas:

- strategic areas: **CANCER; IMMUNITY AND INFLAMMATION; NEUROSCIENCES; BIOHEALTH AND ACTIVE AGEING; OBESITY AND METABOLIC DISEASES.**
- Transversal areas: **BIOSTATISTICS / BIOINFORMATICS / INNOVATION: NEW METHODS IN PREVENTION, DIAGNOSTICS AND THERAPY.**

The Center implements the General Principles and Requirements of the European *Charter for Researchers* and the *Code of Conduct for the Recruitment of Researchers*, to guarantee the transparency, ensuring the equal treatment of all applicants.

The CINBIO aims at becoming a key player to biomedical research, and now offers **one postdoctoral position to a highly motivated and qualified researcher on “extraction and purification of bioactive products from biomass”**, related to the area of Biohealth and Active Ageing, in the group of Biomass and Sustainable Development, **based in Ourense**.

The required documents (described in Annex I, and Annex II) have to be sent to [cinbio@uvigo.es](mailto:cinbio@uvigo.es). **Application deadline: 25 JANUARY 2018 (16:00 hours, local time).**

All candidates will have an adequate feedback with a message as **proof of delivery**. They will receive consideration for employment and will not be discriminated against; based on race, color, religion, sex, sexual orientation, gender identity, national origin, age or disability.

**All research job offers are overtly advertised.** The Human Resources Board will select **one candidate, and other qualified candidates** will end up in a **waiting list** for future consideration.

Please, find more information about CINBIO, in our website: [www.cinbio.es](http://www.cinbio.es); and follow the recruitment process here: <http://cinbio.es/en/category/job-opportunities/>
