Tour 2: **Mussel tour on boat** (max 100 pax)

Tour 3: **Seaweed tour on the beach** (max 50 pax)

### Keynotes

**Jeong Ha Kim**, Sungkyunkwan University, South Korea: *'Traditional exploitation of Korean kelp species: food, feed, medicinal uses and conservation'*

**Alan Critchley**, University of Cape Breton, Canada. Lifelong seaweed researcher experienced in industrial utilization of seaweed: *'2020 vision: a phyconomic approach to supplying the global, future needs for seaweeds of commercial interest'*

**Prof. Deniz Tasdemir**, GEOMAR Centre for Marine Biotechnology, Germany; *'Chemical ecology and drug discovery studies on Baltic brown algae and their microbiome'*

**Prannie Rhatigan**, Medical Doctor, Ireland; *'Seaweeds for the long haul- the benefits and ways to enjoy seaweed over a lifetime'*

**Susan L. Holdt**, Associate Prof., Denmark; *'What do we know about contaminants in the seaweeds?'*

**Felix Lopez Figueroa**, University of Málaga, Spain; *'Cosmeceutics and blue biotechnology with marine algae and cyanobacteria'*

### Website

Please visit our website: [www.seaweed4health.org](http://www.seaweed4health.org), follow us at Facebook group "Seaweed for Health Conference", twitter: #seaweed4health, Instagram: @seaweed4health

### Sponsors

If you want to be a sponsor: logo on website and on the conference app, or support the e.g. conference dinner, lunch, provide seaweed for the food, please contact Stefan Kraan: [stefan@aquaceuticals.ie](mailto:stefan@aquaceuticals.ie)

### The seaweed vision and mission of S4H

We have a dream that seaweed will be known to everybody as the healthy part of our everyday life. Therefore, we are bringing together knowledge and experience to this international "Seaweed for Health" conference for research and business within nutraceutical, bioactive and pharmaceutical compounds in seaweed, and we hope that you will join us.

*We hope to see you in Ourense, Galicia, Spain for the conference in June,*

**Local organizing committee:** Herminia Domínguez, María Dolores Torres.
